AN ORDINANCE OF THE CITY OF EDMONDS, WASHINGTON, AMENDING THE PROVISIONS OF THE EDMONDS COMPREHENSIVE PLAN, CAPITAL FACILITIES ELEMENT TO ADOPT AN ANNUAL UPDATE TO SAID PLAN, AND FIXING A TIME WHEN THE SAME SHALL BECOME EFFECTIVE.

WHEREAS, each city that plans under the Growth Management Act is required to perform its activities and make capital budget decisions in conformity with its Comprehensive Plan, and

WHEREAS, the City Council has received the recommendation of its Planning Board that adoption of a proposed 2006 Capital Improvement Plan be denied based upon the Planning Board's review of the funds available for the projects necessary to maintain compliance with the City's Comprehensive Plan and the Planning Board's conclusion that insufficient fund revenues and grants exist for that purpose, and

WHEREAS, the City Council acknowledges and agrees with the concern of the Planning Board that governmental revenues are insufficient to meet all the needs of the City, and

WHEREAS, the City Council acknowledges that the City is falling behind in its ability to construct capital improvements necessary to achieve full and immediate compliance with its Comprehensive Plan, but finds that the Comprehensive Plan's goals are reflected by and consistent with the Capital Improvement Plan element to the extent that revenues are available, thereby indicating that the City is taking every reasonable step available to construct capital improvements in accordance with its plan, and

WHEREAS, the City Council is committed to seeking additional funding sources to achieve the Comprehensive Plan goals and objectives, and

WHEREAS, the City Council has held a public hearing and completed all procedural steps necessary for consideration and adoption of the Capital Improvement Plan element of the Comprehensive Plan, NOW, THEREFORE,
