## Marina Beach Master Plan Open House

The City of Edmonds is in the process of creating a Master Plan for Marina Beach Park, which includes alternatives for daylighting Willow Creek.

Join us at our Open House on Wednesday, May 6, 6-7:30pm, in the Edmonds Plaza Room (above the Library), 650 Main Street. We will be talking about the preferred alignments of the creek and begin to discuss schematic designs.

If you aren't able to make it, participate in the Virtual Open House, May 7 through May 28, at <http://marinabeach.publicmeeting.info>.

For more information call 425.771.0230.
