YOST POOL OPENING DELAYED

The opening of Yost Pool for the 2014 season has been delayed due to setbacks with the installation of the new boiler. Although the project started early enough, the contractor ran into issues along the way. The delay in the delivery of parts has caused the most recent schedule change.

At this time we anticipate that we will open the pool on Monday, June 16, 2014. The City of Edmonds and the YMCA are working together to see if there is an opportunity to extend the season.

The pool schedule, pricing and programs can be found at yostpool.edmondswa.gov. Registration for swim team, swim lessons, and other pool programs is now underway. Rentals are now being taken and swim passes are on sale. Call 425.771.0230 or stop by the Recreation Office at the Frances Anderson Center, 700 Main Street.
