HOLIDAY TREE PROGRAM

Opportunity to provide a dedication to someone and add the tree canopy in Edmonds!

(Edmonds, WA) – Every year, the Parks, Recreation and Cultural Services Department decorates downtown for the holidays! Also, every year, part of those decorations include planting several living trees and placing them at City Hall and the Frances Anderson Center for the Holiday Tree Program. Once the holiday season is over, we plant them in Yost Park to contribute to the urban forest.

Would you like to dedicate one of the living fir trees outside of City Hall or the Frances Anderson Center to a loved one? These live trees will be strung with white lights during the holiday season and planted in Yost Park after the holidays. A laminated sign with your choice of wording will be placed at the base of the tree during the holiday season. The trees are available to dedicate for a \$150.00 one-time donation. We only have two left for the Frances Anderson Center, so hurry now! Please email Carrie.Haslam@edmondswa.gov for more information and to adopt the last holiday trees!
