MISSING EDMONDS WOMAN LOCATED

I have just been notified that Ms. Brancheau, the missing woman described below, has been located at Golden Garden's Park in Seattle. Working with her cellular phone company we were able to determine her location through signals sent to her cellular phone. We requested that the Seattle Police Department check the park for her and were notified at approximately 6:45pm that they had located her within the park. She is alive and well but cold and tired. She will be medically evaluated before being returned home.

We wish to extend our thanks to the Snohomish County Search and Rescue, the Seattle Police Department and to the media outlets that covered this story.
