An elderly female Edmonds resident in a motorized wheelchair was struck by a vehicle this afternoon at approximately 1:20 PM at the intersection of 76th Ave W and SR 99 in Edmonds. The pedestrian, who is 79 years old, was traveling south on the east side of SR 99 crossing at 76th Ave W, when a vehicle, driven by a 20 year old Lynnwood resident which was northwest bound on 76th Ave W, struck the pedestrian as she crossed the intersection. The driver stopped immediately and waited with the pedestrian until aid and medic units arrived. Edmonds Police arrived on scene and blocked 76th Ave W along with part of SR 99 to enable the medic crew to attend to the pedestrian and allow the Edmonds Police Traffic Unit to investigate the collision. The pedestrian was transported to Harborview Medical Center for treatment of unspecified injuries.

The roadway will be open soon. The investigation is continuing with no further information at this time.
