DAYTON STREET UTILITY IMPROVEMENTS PROJECT

Dayton Street construction update: upcoming 8th Ave intersection closure

(Edmonds, WA) Crews plan to close the 8th Ave and Dayton Street intersection from Monday, July 6 to Thursday, July 9. During the closure, crews will finish the intersection, build a new center island and complete the paving work in that same area.

This is part of the larger multi-phase Dayton Project to upgrade utilities.

During this closure:

- The intersection of 8th Avenue and Dayton will be closed to all vehicle traffic daily from Monday, July 6 through Thursday, July 9 between 7 am and 5 pm.
- The intersection will be open during evening hours.
- Access to businesses, driveways, and parking lots will be maintained
- The sidewalks at the 8th Ave intersection will be open; pedestrian detours crossing the intersection will be in place.

Community Transit rerouted during Phase 2 construction

Community Transit Route 116 has been rerouted between 3rd and 9th avenues for Phase 2 construction. Several stops along Dayton Street have been relocated for the duration of construction. For up-to-date details about bus routes, please visit Community Transit's [rider alerts page](#).

How to stay informed

- **COVID-19:** For updates on what the City of Edmonds is doing to respond to the COVID-19 outbreak, visit: <http://www.edmondswa.gov/coronavirus.html>
- Website: Please stay tuned to our website for regular updates: <http://www.edmondswa.gov/dayton-street-utility-improvements.html>
- Email: If you have questions or comments, email us at daytonproject@edmondswa.gov
- Twitter: You can also follow project progress on Twitter at [@DaytonStProject](https://twitter.com/DaytonStProject)

The City of Edmonds is working to manage our community's needs for support and safety as COVID-19 continues to impact us all. Please note the construction schedule is subject change as we receive new information. For more information about actions the City of Edmonds is taking, please visit <http://www.edmondswa.gov/coronavirus.html>.
