EDMONDS L.E.A.P. CAMP REGISTRATION IS NOW OPEN

Safe Day Camps that Support Distance Learning and are Fun

(Edmonds - WA)

L.E.A.P. (Learning Enhancements and Activities Program) is a new distance learning day camp hosted by the Edmonds Parks, Recreation and Cultural Services Department. Starting October 19th the program will provide a safe and supervised day camp setting that allows children to focus on their academic efforts while engaging in fun camp activities. Safety is the top priority of camp; participants will be grouped with similar age students into small learning pods and students will be assigned their own socially distanced work space for the entire week within their assigned pod. Additional safety measures can be found on the City of Edmonds website under Parks and Recreation. Recreation Leaders will assist students with their distance learning each day; in addition, staff from the Discovery Program and Arts & Culture Department will provide supplemental activities to ensure your student gets active and has fun.

The weekly program fee is \$300 per student for Edmonds residents and \$345 for non-residents; fee waivers are available for Edmonds resident families who qualify for the Reduced Lunch Program at the Edmonds School District. Application for fee waivers can be found in the [Parks and Recreation section](#) of www.edmondswa.gov or by calling the Edmonds Parks, Recreation & Cultural Services office at 425-771-0230. Fee waivers are given on first come-first serve basis. Spaces may still be available for fee waiver students even if the program shows as full.

The primary 'pod' time is 8:30am-4:30pm, with before care starting as early as 7am, and after care until 6pm, which are available for no additional fee. Registration for the program is available over the phone at 425-771-0230 or online. For additional information or to register visit:
