Five Corners Roundabout Project

TRAFFIC REVISION

(Edmonds - WA) A traffic revision to the Five Corners intersection (212th St. SW and 84th Ave W) will begin on Tuesday, September 2nd. The intersection will operate as a roundabout during and after construction hours. Information on how to drive a roundabout can be found on the Washington State Department of Transportation (WSDOT) website at <http://www.wsdot.wa.gov/safety/roundabouts>. A WSDOT brochure on how to drive roundabouts will also be available on the first floor at City Hall or on the City's website at <http://www.edmondswa.gov>.

Please send your questions or concerns to the e-mail address or by calling the phone number provided above.
