## **FISHING PIER TO CLOSE FOR FINAL REPAIRS**

**(Edmonds - WA)** The Edmonds Fishing Pier will be closed for final repairs from November 28<sup>th</sup> - December 2<sup>nd</sup> 2016 from 7:00 am – 5:00 pm. The contractor will be installing the fish cleaning stations, shelters and roofs, repairing the electrical conduit, installing an informational kiosk, and re-calibrating the weather station. In order to accommodate the squid fish season, construction related materials will be cleared each day so that the Pier can reopen after 5:00 pm during this construction closure.

One of the last steps of the renovation project is installation of the far south end railings that can be installed without a closure.

The City of Edmonds and Washington Department of Fish and Wildlife would like to thank everyone for their patience during this time.
