OPEN HOUSE TO SHOW HIGHWAY 99 AREA PLAN

All are Welcome to Attend

(Edmonds - WA) Highlights of a new draft Highway 99 Area plan will be shown at an open house Thursday, November 10, at Swedish Edmonds Hospital, 21601 7th Ave, W., 4th floor conference room. The public is welcome to drop by the open house anytime between 6:00 and 8:00 pm. A slideshow about the plan will be presented at 6:30 pm.

“I’m excited to see ideas coming forward for the Highway 99 Area Plan,” noted City Council member Adrienne Fraley-Monillas. “This area has many opportunities—both on the land use side, including affordable housing, and on the transportation side.”

Developing the plan, with public input, has been underway for nearly a year. The first view of it will be shown at the open house and comments are invited.

Then City staff and the consultant team will make any changes and present the draft to the Citizen Planning Board in mid-December. After the Planning Board makes a recommendation, the plan will go to the City Council for action in early 2017.

The Highway 99 Area plan will include transportation improvements that can be prioritized for state and federal funding.
