## **Citizens Housing Advisory Committee to Meet November 29**

**(Edmonds - WA)** The Citizens Housing Advisory Committee will meet on November 29 at 6:30 pm in the Edmonds City Hall Brackett Room (third floor), 121 Fifth Avenue North. The meeting is open to the public.

The committee's agenda will include discussion of what can be learned from the prior Draft Housing Strategy and ways to engage the public in the future. Discussion is meant to provide advice to the City's Development Services Department.

The Citizens Housing Advisory Committee is comprised of all Edmonds residents, each with different perspective on housing, but all rooted in a long-time understanding of the community. Members have lived in Edmonds between four and sixty years. Opportunities for additional groups and other public involvement are expected to be organized later.

More information about the citizens committee is posted online at:

<https://www.edmondshousingstrategy.org/citizens-housing-advisory-committee/>. Notes from the committee's first meeting, November 8, are also posted there. When the November 29 meeting agenda is ready, it will be posted too.
