GATEWAY SIGN OPEN HOUSE

(Edmonds, WA) The City of Edmonds Gateway Sign Open House will be Wednesday February 27 in the Plaza Room at 6 pm. Rescheduled from February 11 due to the weather, this meeting provides an opportunity to comment on several concepts for replacing the Welcome to Downtown Edmonds sign at SR 104 and 5th Ave. S. The City has developed three new sign designs based on community input from the first Open House, an online survey, and from work with a nine member citizen committee who met regularly with the designer to shape the concepts. In addition, there will be an image of the original sign and one design from a community member for the public to view as well.

The February 27 Open House will be held in the Plaza Room above the Library, 650 Main Street, 6 – 7:30 pm.
