Fostering Global Citizenship

Students gain international understanding with exchange program

(Edmonds, WA) There is no better way to build international understanding than immersion in another culture. Edmonds students have a unique opportunity to experience the day to day life, language, and traditions of Japan through an exchange program coordinated by the Edmonds Sister City Commission. For ten students each summer, it is the adventure of a lifetime. While in Japan, students live with a Japanese family and travel to see the sights and sounds around Hekinan, Japan. Upon their return, they and their families offer the same consideration to the Japanese students. Introducing these kids to each other's culture opens their world and encourages a global view.

The City of Edmonds Sister City Commission invites students 14-18 years of age to participate in the annual student exchange to Hekinan. Edmonds students will travel to Hekinan for the last two weeks in July 2019 and then host a Japanese student during their stay in Edmonds during the first two weeks of August 2019. Student cost for the trip will range between \$1,600 and \$2,300 depending on the cost of airfare. Hekinan has been our Sister City since 1988 and the exchange program has been a central component of that relationship. Deadline to apply is Friday, February 22, 2019.

For applications and more information please visit <http://www.edmondswa.gov/sister-city-exchange-programs.html>.
