Citizens' Housing Commission to Have First Meeting

(Edmonds - WA) The Citizens' Housing Commission will have its first meeting on September 26 at 7:00 pm in the Council Chambers at the Public Safety Building, 250 5th Ave. N., Edmonds.

This meeting is open to the public. It will be an introductory session and include discussion of a schedule for future meetings. This will be the Commission's first meeting since appointments were completed by the Edmonds City Council and Mayor in late August.

An agenda for the Housing Commission's September 26 meeting will be posted online, by late in the day on September 23, on the City's agenda webpage at: <http://edmondswa.igm2.com/Citizens/default.aspx>.

Under a City Council resolution, the Housing Commission's mission is to develop housing policy options for Council consideration to expand the range of housing (including rental and owned) in Edmonds. Commission recommendations are due by the end of 2020.
