Michele has enjoyed several years in the field of early childhood education. After receiving her AA in Early Childhood Education (ECE) and serving on the local NAYEC board in Bellingham, WA, she returned to the Everett/Edmonds area. She began teaching at a faith-based preschool for her first seven years before taking time off to raise her three children. Michele assumed the directorship of Meadowdale Preschool in 2009. During her years at Meadowdale she has molded a successful curriculum that focuses on the Pre-K years and has enjoyed seeing families progress through the program. She believes that constant self-education and development are invaluable for

anyone in the field of Early Childhood Education and frequently attends educational seminars and workshops. Michele enjoys the simple pleasures of life by spending time with family, the outdoors, gardening and enjoying time in her community of Edmonds.
