Saves you time and money

Scheduling an in-person appointment with your doctor can be frustrating. You can visit with an MDLIVE doctor by phone, secure video, or MDLIVE app. Pediatricians are also available. Get assistance with a wide variety of non-emergency medical conditions for you and your covered dependents such as:

- Allergies
- Cold/flu/fever
- Diarrhea/constipation
- Cough/sore throat
- Ear problems
- UTI
- Nausea/vomiting
- Rash
- Pink eye

The physicians can provide a diagnosis, treatment plan, and even write a prescription without you ever leaving your house!

Now offering convenient online therapy too!

Managing stress or life choices can be overwhelming. Use MDLIVE to get confidential help from a counselor or psychiatrist. These providers are equipped to help you with a variety of non-emergency issues including:

- Depression
- Anxiety/panic disorders
- Parenting/child/adolescent issues
- Stress
- Eating disorders
- Addictions
- Grief and loss
- Relationship and marital issues
- Women's/men's issues
