121 5TH AVENUE NORTH, EDMONDS, WA 98020 (425) 771-0220

## DETERMINATION OF NONSIGNIFICANCE

**Description of proposal:** This proposal covers ongoing maintenance by the City of Edmonds Public Works Department of facilities in watercourses that convey stormwater runoff throughout the City for the next five years. The work will consist of a variety of actions to maintain flow by removing obstructions, cleaning trash racks, and removing accumulated sediments and debris. The maintenance is needed to reduce the potential for flooding within the City.

**Proponent:** City of Edmonds

**Location of proposal, including street address if any:** Various locations throughout the City of Edmonds

**Lead agency:** City of Edmonds

***The lead agency for this proposal has determined that it does not have a probable significant adverse impact on the environment. An environmental impact statement (EIS) is not required under RCW 43.21C.030 (2)(c). This decision was made after review of a completed environmental checklist and other information on file with the lead agency. This information is available to the public on request.***

The City of Edmonds has determined that the requirements for environmental analysis and protection have been adequately addressed in the development regulations and comprehensive plan adopted under chapter 36.70A RCW, and in other applicable local, state, or federal laws or rules, as provided by RCW 43.21C.240 and WAC 197-11-158 and/or mitigating measures have been applied that ensure no significant adverse impacts will be created.
